

Want treatment at home?

Eligible HBF members can claim temporary benefits on certain services delivered via telehealth.

Am I eligible?

To be eligible to claim telehealth benefits for Occupational Therapy:

- Your extras cover must include Occupational Therapy;
- You must have served your waiting period and not reached your Occupational Therapy annual limit; and
- Receive an eligible service from an HBF Approved Provider via video consultation **between 16 March 2020 and 31 December 2020**.

To check your cover and annual limits, log in to myHBF or call us on 133 423.

What's covered?

- Individual treatments via video that run for at least 45 minutes for an initial consultation or at least 20 minutes for a subsequent consultation.

Some exclusions such as group consults and classes apply.
